The Daylight Store

The Munsing Underwear for Ladies, Misses and Children.

We carry of this Underwear more styles than any other concern in the state. We believe in it. We talk it. We think it is right (better than other makes). Yes, we know it is right. Munsing Underwear in the hands of our customers has proved it.

Munsing Underwear

For Children, in single pieces, at 50c. This Underwear has quality and shape that other manufacturers have yet to furnish.

For Misses at the same price as for children, only larger sizes.

For Ladies, in single pieces, at 50c and \$1.00. These are garments that we were short of after October last season and could not get more. It looks like a shortage this season, as the mills cannot supply the demand.

Munsing Union Suits

For Children and Misses, made both ways, with drop seats and open fronts. These are Wool Union Suits at \$1.00 each.

For Ladies, in heavy fleece, made open across bust and half open up and down front. Price for either, \$1.00.

For Ladies, in wool, at \$1.50, \$2.00, \$2.50 and \$3.00, each in winter weight. Also numbers in medium weight for fall wear. When others cannot furnish half open Union Suits come here.

Bennington Underwear

In many homes it is so well liked that no other kind would be considered. We have better prices on these goods than ever before.

Children's Bennington Underwear in natural wool, the same old qualities in all sizes from 16 to 34.

Ladies' Bennington Underwear in natural wool and lamb's wool of the camel's hair color. This latter garment is made to sell for \$1.25. We are to give you your choice of the two garments for \$1.00 each.

Munsing Underwear is the only kind with plaited seams.

Mrs. Shepard Has a Very Fine Line of Fall Millinery.

A. P. ABBOTT & CO.

TALK OF THE TOWN.

Bake with gas.

Supt. Mullens will make periodical visits here and keep in closer touch personally than ever before.
Robbers Blow Open Bank Safe. Lincoln, Neb., Sept. 13.—Robbers blew open the safe of the Bank of Palmyra, Neb., and escaped. How much money they got is not yet known.

Invention of the Piano.

It is not known who invented the piano, the credit being variously given to Christopher Gottlieb Schroeter of Saxony, Marinus of France and Bartolomeo Christoffal of Italy. The latter had completed four instruments in 1700, and two dated 1720 and 1720 still exist.
