The Daylight Store

Everybody Has Furs.

Do they have quality and value that appeal to you as being rightly priced? Can you buy with the confidence that any defect will be made good? If Furs are not manufactured by reliable parties it comes hard on the merchant to make them good. It comes out of him if made good at all. Goods costing as much as Furs do ought to be purchased of reliable people or you are subject to disappointment.

F. Booss & Brothers

Large Purchase of Furs. We are the largest handlers of Furs in this part of the state. This lot represents a purchase of two hundred pieces of Furs in Cluster Scarfs that sell from \$5.00 to \$6.50, in Isabella and Sable Opossum, perfectly made of prime skins and warranted O. K. for \$3.98.

FUR COATS.

Their Fur Coats are ahead of any Coat made in this country. Their Electric Seal Coats are as good as can be made. No matter what price you pay, it is impossible to buy a better one. Call and see one of their Coats of this grade that has been in wear right here in Barre for five years. Better now than most new Coats. (These things are worth looking up.)

We have one of the largest lines of Isabella and Sable Fox Boas shown in Vermont. Being purchased last June, they come to you at from two to three dollars under the market price.

Children's Furs.

Children's Furs in sets, made in two sizes—one for children from one to six years, the other from six to fourteen years. Prices on these small sets are less than we ever saw them. The small sets start at 98c; the larger sets only a little more.

MUFFS.

Our line of Muffs is in keeping with our Fur Scarfs. We can match everything to a Muff from a 59c Fur Collar to our best Fox Furs.

Our lot of Isabella and Sable Opossum Pillow Muffs, the \$6.50 grade, in this purchase on sale at only \$4.98. (We cannot make these prices later.)

Suits With Ginger in 'Em!

The Young Man always wants a Suit that's full of "Ginger." We cater to his wants, and he can find here a Suit that will exactly fill his mind's eye. Couldn't buy an out-of-date, hack number Suit or Overcoat here, even if he wanted to.

Our Suits are not only "the style," but they are built by the best artists in the business. Look at "our shoulders," for instance. Every store claims to have broad shouldered coats, but, save the mark—such shoulders as many of them are. That's because they don't know how "to do the trick." Look at the narrow and artistic hand-padded collars and lapels. Our Suits will show how good tailoring should be done. Young man, come and see the good things prepared for you. A good Suit at \$7 50, \$10.00, \$12.00 and \$15.00.
