THE LARGEST AND HANDSOMEST CLOTHING STORE IN TOWN.

BARRE'S Greatest Clothing Store!

Rousing Values in Men's and Boys' Suits and Overcoats of the Very Best Kinds For Thanksgiving Week.

Phenomenal trading at our store during the past few weeks indicates that the high character of our Clothes is appreciated. Segels & Brady's Clothes are as good as it is possible to make them.

Besides our own regular stock of Fall and Winter merchandise we are holding a big bona-fide clearance sale of the two large stocks of Clothing, Shoes and Furnishing Goods which we purchased in Burlington last month from the Union Clothing Company in that city at a big sacrifice to them, on account of their lease expiring and giving up their store, and we now give our customers the benefit of our fortunate low-price purchase.

The success of this sale is greater than we hoped for and our sales for the past month have been more than double those of last year for the same month, and it is all owing to our unmatched values and your money back if it is not so. You can save from \$1.00 to \$5.00, and in many cases as much as \$10.00 on an outfit by buying this week. If you are ready to look as well as to buy, we are at your service.

FROM THE ASHES

Baltimore Family's Experience Points a Moral to Residents of Barre.

The visitor to Baltimore today scarcely realizes that less than a year ago the city was almost destroyed by a memorable fire. A similar comparison might be made by George W. Nally, one of the leading citizens of Baltimore, as to the change in his own looks.

A short time ago, Mr. Nally, writing from his home address, 2213 Barelay street, says, "I have been troubled for years with catarrh and had resorted to all remedies that could be thought of. My wife was also afflicted with this terrible disease, but all the treatments we used were an absolute failure, until we tried Hyomei. It worked like a charm and has made a complete cure in both of our cases. There is no disagreeable stomach dosing in using Hyomei. We breathed it, and its fragrance, so clean, pure and bracing, killed all the catarrhal germs in the head, throat and lungs."

The experience of Mr. Nally and his wife certainly points a moral to all readers of The Times who are suffering from catarrh. It shows how they can be cured of this frightful disease, without dangerous stomach dosing. Rickert & Wells, the local agents for Hyomei, have no much faith in the treatment that they give their personal guarantee to refund the money in case it does not benefit. A complete outfit costs one dollar, the extra bottles are but fifty cents. Ask to see the strong guarantee under which Hyomei is sold.

TALK OF THE TOWN.

The teachers of the Presbyterian Sunday-school were very pleasantly entertained at the home of Mr. and Mrs. George Stuart of Blackwell street last evening. Plans were discussed for the coming year and much useful work was done. The officers of the year were all reelected to serve another twelvemonth. Before the party broke up a hearty vote of thanks was extended to Mr. and Mrs. Stuart for their generous hospitality.

If you haven't yet bought your Overcoat you want it now. The handsomest, best made and most economical Overcoats are at the Union Clothing Store. We buy for two stores and the great quantities we buy and sell give us the smallest possible ratio of cost, and our low percentage of store expenses enables us to sell at a very small margin.

Of course you know well enough that no one can sell at cost and below and live, so when anyone claims to do that you just "put your tongue in your cheek" and laugh.

The reason why our store is nearly always full of customers is because it's so generally understood the best Clothes are found here and that our prices are all right.
