BARRE'S Greatest Clothing Store!

Rousing Values in Men's and Boys' Suits and Overcoats of the Very Best Kinds For Thanksgiving Week.

Phenomenal trading at our store during the past few weeks indicates that the high character of our Clothes is appreciated. Segels & Brady's Clothes are as good as is possible to make them.

Besides our own regular stock of Fall and Winter merchandise we are holding a big bona-fide clearance sale of the two large stocks of Clothing, Shoes and Furnishing Goods which we purchased in Burlington last month from the Union Clothing Company in that city at a big sacrifice to them, on account of their lease expiring and giving up their store, and we now give our customers the benefit of our fortunate low-price purchase.

The success of this sale is greater than we hoped for and our sales for the past month have been more than double those of last year for the same month, and it is all owing to our unmatchable values and your money back if it is not so. You can save from \$1.00 to \$5.00, and in many cases as much as \$10.00 on an outfit by buying this week. If you are ready to look as well as to buy, we are at your service.

DO NOT DOSE THE STOMACH

Hyomel, the Only Guaranteed Cure For Catarrh.

No one should confound Hyomel with the patent medicines that are advertised to cure catarrh. It is as far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomel gives its formula to all reputable physicians and it is prescribed by them generally.

Its base is the valuable eucalyptus oil, famous for its antiseptic qualities. This is combined with aromatic and healing gums and balsams, making a pure liquid which, when used in the Hyomel pocket inhaler, fills the air you breathe with germ-killing, disease destroying and healing powers that restore health to every part of the nose, throat and lungs.

The only way to cure catarrh and all other diseases of the respiratory organs is to breathe Hyomel.

This treatment has been so successful in curing 99 per cent. of all who have used it, that Hyomel is now sold by Blocker & Wells under an absolute guarantee to refund the money in case it does not benefit. You run no risk whatever in buying Hyomel. If it did not possess unusual powers to cure it could not be sold upon this plan.

The complete Hyomel outfit costs \$1.00 and comprises an inhaler, a bottle of Hyomel and a dropper. The inhaler will last a lifetime; and additional bottles of Hyomel can be obtained for 50c.
