We have them in all lengths and at all prices. They are the garment craze this time sure. We have them from \$4.98 up to \$19.50 each. All are tailored styles. Some have as many as seven pieces in one back, each part fitted by itself. That is what shapes the Coat and makes it stay that way. They are what select trade want and we are here to supply them.

Coats are made 24, 36 and 42 inches long. All lengths are style, the 24 inch leading.

Silk Coats are coming as the season warms up. 30-inch, 36-inch and full length. Prices from \$7.50 up to \$14.00. We are told that for Automobile Coats silk is the only Coat that dust will not penetrate.

These White Suits are good enough for the very best trade, made for party, evening or graduation costume.

Skirts of the above Suits are very full—some as full as nine yards around bottom of skirt. The materials would cost you every bit as much as the Suit and your time would be thrown away. You cannot make them any better.
