TO DOUBT THIS

Is To Disbelieve The Evidence Of Barre Citizens.

L. H. Hooker, carpenter and builder, of 101 Prospect street, says: "What I first stated in the winter of 1897 about Doan's Kidney Pills, sold at E. A. Drown's, was not only absolutely true, but today, in the month of May, 1902, I just as emphatically endorse the preparation as I did when it first came to my notice. I have good reasons for doing so. I had consulted physicians and used every known kidney remedy which came to my notice and which my friends suggested, but still the stopping of the dull, almost constant pain just over my kidneys was remotely in the distance. If I sat down for a short time it made me nervous and I was compelled to get up and walk about for the slight comfort that makeshift afforded. In addition to the backache, trouble with the kidney secretions was very observable at night. When I commenced to use Doan's Kidney Pills my condition I considered serious. I knew by the direct action of the pills on the kidneys that they were going to the root of the trouble and I continued the treatment until I had used five boxes. During the time which has passed, and it is over five years, I have had occasion to appeal to Doan's Kidney Pills and I have never appealed to them in vain. I have recommended them to my friends and acquaintances, who have used them with such good results that they positively state they are an excellent preparation."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
