MOST HEALTHFUL TEA IN THE WORLD.

The very small amount of tannin contained in Spurr's Health Tea makes it, while one of the richest Teas, the least exciting to the nervous system. Note what Professor Sharples says of Spurr's Health Tea: "The sample of Tea marked 'Spurr's Health Tea,' received from you, yields on extracting for five minutes with boiling water tannin 4.02 per cent. (Signed) S. P. Sharples."

The quantity of tannin yielded by the average Tea is 10.18 per cent. This should appeal to every tea-drinker. There is only one store in Barre where Spurr's Teas and Coffees can be purchased, and that is at
