YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that is "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of Dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

The defendant claims that he paid it in Richmond near the depot and his book shows that it was paid. The court reserved decision.

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. So wonderful was their effect that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at the Red Cross Pharmacy. Price 50c.
