Men's Union Underwear!

All indications point strongly toward a largely increased use of Union Suits this Summer by men who are willing to discard prejudice in order to be comfortable.

A man must be a little more particular as to the fit of a Union Suit than with two-piece underwear, but few men who secure the right size ever go back to separate garments.

We have Men's Union Suits in a variety of materials, such as balbriggan, lisle, mercerized cotton, wool-and-cotton and Summer weight all-wool. Prices start at \$1.00 and run up to \$3.50 per Suit. Try one of our Union Suits.
