Something New!

FALCONJEL, A RELIABLE JELLY POWDER.

Falconjel comes in the following flavors: Chocolate, Coffee, Raspberry, Strawberry, Lemon, Orange, Cherry, Pistachio, Vanilla, Mint (for roast lamb), and Unflavored for wine, calves' foot, etc.

Falconjel takes the place of the old-fashioned jellies made from calves' feet, isinglass, gelatine, etc. This process was tedious and uncertain—too thin, too thick or bad tasting. The Falconjel result is uniform and delicious, as only tested materials of the finest quality are used in its manufacture. Use it according to directions and you will have uniformly good results.

Falconjel is prepared very quickly. Simply turn boiling water on the powder and set it in a cool place.
