Beef, Wine and Iron

The Old Time Tonic

This Tonic has been on the market for a hundred years and is the favorite, notwithstanding the large amount of advertising done by patent medicine firms. This is not a patent medicine, but is a home remedy originating in one of the early settler's homes of this country. It contains the strengthening properties of prime, lean beef, a soluble salt of iron, together with good sherry wine. It makes blood. If you are run down, feel bad and realize that you need a tonic, you will find in this long-known remedy a never-failing rejuvenator. We put this up ourselves, know the quality of every ingredient we put in it and guarantee that there's no better Beef, Iron and Wine on the market. The price for a full 16 ounce bottle is only 50c.
