ABOUT THE STATE.

Items of Interest Gleaned From Our Exchanges.

The Vermont Wheel Club will observe its twentieth anniversary in Brattleboro November 10.

Senator Redfield Proctor was among the callers on President Roosevelt at the White House Thursday.

Cards have been received announcing the marriage of Ida May Norton, daughter of Mr. and Mrs. George Norton, of Morrisville, to Irvin LeBaron on Wednesday, October 11, at Morrisville.

A dog fight, seventeen dogs participating, was summarily ended in Island Pond the other day by the judicious use of ammonia, supplied by Grosvenor Smith. They were a very surprised lot of dogs.

L. B. Harris has offered to give a lot for the tuberculosis hospital which Senator Redfield Proctor is to build and endow. The lot proposed is on land owned by Mr. Harris at Lyndon Center and is in every way favorable for the location. He has taken out cores over 60 feet deep of mottled white and blue fine marble, suitable for interior finish or out door work. There is only about five feet of earth to remove. The quarry is also on a side hill giving ample dumping facilities. Howard Freedley of Philadelphia will assist Harwood in developing it. This quarry lays in an hitherto unsuspected marble locality, showing that Dorset is on almost solid marble worth millions.

A case, the decision of which may be of great importance to the International Paper company, has been laid before Judge H. H. Wheeler and the evidence just completed. A decision is to be rendered very soon. The case is that of the United States vs. C. W. Pierce, and grows out of the taxation at the rate of 20 per cent. ad valorem of pulp wood which was imported through the district of Memphremagog into the United States. When the duty was imposed, the defendant took the case before the general board of survey and a decision in favor of Mr. Pierce was granted. The United States then took an appeal, the hear-
