Noted Ontario Lawyer Dead.

Tomronto, Ont., Nov. 2.—Christopher Robinson, Canada's great constitutional lawyer, died Tuesday night after a bright attack of pneumonia. He attended a dinner party on Saturday night and caught cold on his way home. Mr. Robinson was entrusted with most of Canada's cases before the British Privy Council, and was well known in England. In the Behring Sea arbitration was said that it was his presentation of the case which gained a Canadian victory against the United States. Knighthood was proffered him several times, but declined.

Items of Interest Gleaned from Our Exchanges. A Grange to be known as Green Mountain Grange, has been organized in Woodstock with about thirty charter members. Albert T. Billings of Weatherfield filed a petition in voluntary bankruptcy Tuesday. He has liabilities of \$370 and assets of \$338, of which \$250 are claim-exempt. Congressman D. J. Foster spoke in Providence, R. I., Tuesday night at the opening of the State republican campaign. Mr. Foster will be in Rhode Island for several days to assist in the campaign. O. F. Hurlbert, of Rippon, has raised on two acres of land 400 bushels of sound, market potatoes. Six-hundred pounds of phosphate were used in fertilizing but no manure. The small supply and poor quality of the potatoes coming to market from this year's crop, has caused another advance in the price in Poulton, choice stock now bringing \$2.45 and \$3.50 a barrel and inferior grades of small potatoes selling readily on the market for \$2 a barrel. The Delta Upsilon National convention will be held in Middlebury in 1906 when the Middlebury chapter will celebrate its 50th anniversary. This is the first time in 30 years that a large college fraternity has held a convention at Middlebury. The last convention was in 1877. Prof. W. E. Howard has been appointed orator for the convention. Examinations for four federal positions will be conducted at Montpelier, Rutland and St. Johnsbury November 19. The positions include that of fireman at a salary of \$720 per year; telegraph operator at a salary of \$2 per day; chemist and ink maker at a salary of \$2,000 per year; and electrical inspector at a salary of \$1,500 per year. The blueberry canning factory at Island Pond, owned and operated by A. & R. Luggie, was some few days ago for the season. Over 300,000 gallon cans were put up. The enormous amount of a million and a half pounds of new blueberries were canned, and more than seven carloads of lumber were consumed in constructing the boxes in which blueberries were shipped. Mrs. Nancy E. Brown, mother of N. K. Frank and Elizabeth Brown, of Burlington, celebrated the 92nd anniversary of her birthday Monday, giving a family dinner party, which she enjoyed as on her former anniversaries. Mrs. Brown comes from a long-lived Vermont family, and had with her on this occasion children, grandchildren, and great grandchildren. All her faculties are well preserved, and she still takes an active interest in all affairs. Michael Callahan has sued the city of Burlington to recover the sum of \$500 for damages alleged to have occurred at premises on North street owned by the plaintiff, from an overflow from the city sewer. Mr. Callahan claims he has notified the mayor and various city officials but was unable to get any satisfaction. He claims the damage was really nearly \$1,000. The city denies any liability and the board of aldermen refused payment of the claim upon the advice of the city attorney. Mrs. Margaret King Guyette died at the town farm in Stowe Saturday morning. Mrs. Guyette was a native of Canada and had been a resident of Stowe for the past twenty-five years. Her age was unknown but was supposed to be more than one hundred years as she had a distinct recollection of events that occurred during the War of 1812. She leaves no near relatives, her husband having been dead twenty-six years. Two nieces, Mrs. Albert Lawray and Mrs. Charley Raymo, reside in Stowe. HENRY CLAY WILCOX. One of Prominent Citizens of Concord Died Suddenly. Henry Clay Wilcox died at Concord Sunday night after an illness of fifteen minutes with heart disease. The funeral was held Tuesday afternoon with burial at Jeffersonville. Mr. Wilcox was born in Cambridge August 20, 1842. He was the superintendent of the Bank & Wilcox Lumber Co. at Granby from 1882 to 1885. The property was sold to C. H. Stevens & Co. of St. Johnsbury and Mr. Wilcox remained in the employ of that firm which was later known as the Northern Lumber Co., until 1896, when he removed to West Concord where he conducted a hardware store for them for several years. He served as deputy sheriff at Johnson and as a justice of the peace and a selectman at Granby. He represented Granby as a Representative in the legislature of 1886 and 1890 and in 1892 was an unsuccessful candidate for the Republican nomination as county senator.
