

# BUYING OPPORTUNITIES IN SUITS AND COATS.

You haven't bought your Suit or Coat?  
Well, very fortunate for you. You have saved money by waiting.  
We have been fortunate in securing a line of Suits and Coats we recommend to be at least 15 to 20 per cent less than equal values have been offered at before this Fall.  
We invite you as one who knows values to inspect this line. No arguments with you will be necessary. The values will appeal to you. They can't help it.  
**Suits, One Lot, Values up to \$25.00 for \$17.87.**  
**Coats, at \$5.98, \$7.50 and \$10.00.**

**SILK SELLING** continues, and no wonder that it does, even if the Silk is not needed at present, at such prices as we are offering them at now. It shows good judgment to anticipate your needs and buy at even less than we can buy.

### CARNEGIE AIDS JEWS.

Has Given \$10,000 for Their Relief in Russia.

New York, Nov. 12.—It was announced last night that Andrew Carnegie has contributed a check of \$10,000 for the relief of the Jews in Russia. The gift was attached to a letter sent to Isidor Straus of this city. The letter follows:  
"New York, Nov. 11, 1905.  
"My Dear Mr. Straus:—I am only too glad to send you the enclosed as a contribution to the fund for the relief of your co-religionists in Russia. The terrible crimes being committed there are such as might lead one to lose faith in humanity, had not the history of the past shown us scenes equally demoralizing. Do not be discouraged, however. Under the law of evolution we must steadily, though slowly, march upward and finally reach the true conception of the brotherhood of man. Very truly yours,  
"ANDREW CARNEGIE.  
"To Isidor Straus, 2745 Broadway, New York."

### Money Raised in Philadelphia.

Philadelphia, Nov. 12.—Five large meetings of Jews were held in this city yesterday for the purpose of raising funds for the suffering Jews in Russia. Schiff of New York, treasurer of the national relief committee.  
**QUIET AFTER LYNCHING.**  
But Enough Excitement Was Crowded into That Crime.  
Henderson, Tex., Nov. 12.—A quiet day followed the lynching of three negroes yesterday morning. The bodies of the victims were cut down shortly after the hanging and turned over to relatives. After the men were hanged the mob dispersed. None of those who participated in the lynching have been identified. The negroes were charged with killing Elias Howell, a white farmer.  
A mob formed early Saturday night and was met by Sheriff Stone, Senator Branchfield and others who pleaded with them to allow the law to take its course. Their efforts to dissuade the mob failing, the sheriff and his deputies blocked the way to the jail door until they were seized and overpowered.  
The keys to the jail were not secured and the doors were ripped open with chisels and hammers. Four negro prisoners with ropes around their necks were taken out and allowed to speak. All professed their innocence except Williams, who implicated John Reed, Henry Sherrow and Robert Askow.  
A vote was taken on Williams, who was placed back in jail by unanimous consent, while the men he named were taken to the court house and hanged to a tree.
