There were two cases of intoxication in city court this morning and both offenders are said to have given petti- tion names. Officer Carie arrested one who gave his name as Thomas Littlejohn and the other who was arrested on an electric car by Clarence Dodge, motor- man, gave his name as William Phillips. Both pleaded guilty to first offenses of intoxication and paid the usual fines.

One of the most pleasing plays in the repertoire of the famous Bennett Moulton company is Justin Adams' (author of Quincy Adams Sawyer) strong drama on sea life in "Shipwrecked", a play that has never failed to draw big audiences wherever it has been seen, and has proved to be one of the greatest hits of the Bennett Moulton company. There is a wealth of romance in the piece and some very strong emotional scenes. The plot of the piece takes one from Sydney, N. S. W., to a barren island in mid- Pacific, and then to England. A story of love and revenge, courage and adventure has been charmingly woven by the author. This season's list of plays is the best ever offered by this ever popular company.

THE DAYLIGHT STORE

Nineteen Days' Annual Clearance Sale, Beginning at Once and Closing Jan. 16th, 1906.

Goods closed out cannot be duplicated at same price. Our story is this: We began stock-taking January 17th and must, if a sacrifice will do it, reduce our stock at least \$8,000.00 before that time. We are confident that the following prices will carry the sales beyond that amount. We are making these values so good that you will wish after this sale that you had doubled your purchases. Very few goods in this sale that brings us back even the original cost. This is our second clearance sale and practically closes our second year in our new store.
