The Gibraltar tradition of light wit and polite absurdity, but whereas Wilde added a touch of world-weary cynicism to the sufficiently cruel quality of his master, Captain Robert Marshall infuses a light-hearted and wholesome atmosphere as the play is farcical and romantic in its texture, the appeal it makes is always to the intelligence and to the acutest and most fulsome risibilities. The spontaneous and unaffected laughter that greets almost every line is a gratifying indication of a fact frequently insisted on here: those who write plays on the assumption that the success comes only by insulting the good sense of the audience, launch a boom-erang that is bound to bring the insult back to their own intelligence. The acting reaches a height of excellence that is all too rare.

WANDERED TO CEMETERY. Shelburne Woman Again Deported—Goes to Asylum Again.

Burlington, April 5.—Selectman Henry Harrington of Vergennes was in the city yesterday on the way to Waterbury with Mrs. Eli Bushey, an aged Shelburne woman who has been declared insane.

Mrs. Bushey had returned from Waterbury only a week or two ago and was thought to have been cured.

Tuesday she arose at six o'clock and started for the city. Instead, however, she went to the cemetery next by and remained there two hours, weeping and talking incoherently beside the grave of a relative. She was found after a while and persuaded to return to her home. She suffered somewhat from exposure and her physical and mental condition was such that it was thought best to return her to the asylum.

BIG BIRTH RECORD. Burlington Population Increased by 55 Last Month.

Burlington, April 5.—Fifty-five certificates of births in Burlington during the month of March is the total just recorded at the city clerk's office, which is an excellent record for one month, and most encouraging to President Roosevelt.

The number of boys born is very much in excess of the girls, there being 33 males to 21 females. The oldest mother was 40 years of age and the two youngest were 17. In 17 families the births was a first arrival. In two families the arrival was the sixth. In two other families the arrival was the 10th. In one family the "little stranger" was number 25.

Would Indict Women for Playing Bridge. Dalton, Ga., April 5.—Judge A. W. Fite has ordered the grand jury to return indictments for gambling against several society women for playing bridge and euchre for money or prizes.

"You indict every negro you hear of who shoots craps or plays seven up, and these society women who play bridge and euchre for costly prizes are never molested. The law is no respecter of persons. What is a crime in the negro is a crime in the society woman. There should be the same treatment for all."
