FOR NEURALGIA RHEUMATISM

Headache, and for Pain in Side and Back, We Have Used it With Excellent Results, and I cannot Say Enough in

"And I would be pleased to distribute some samples among my friends if you wish to send them. Mrs. E. M. Saunders, 15 Erie Place, Roxbury, Mass., Aug. 5, 1905." As stated in our Square-deal announcement, we propose from time to time to let others tell why Minard's Liniment is the most effective and clean-to-use external cure for all pains and aches, and to carry the case direct to you by inviting you to write for a free bottle, to prove that it does all that is claimed for it. Send a postal to Minard's Liniment Company, South Framingham, Mass.

A "Barrie" Chaperon. Once again in London ballrooms the domesticated daughter. Leads neglected in the doorway feeling very much de trop. While she watches the distinguished chaperon who brought her. Dancing wildly with each eligible beau!

And, tho' wishing she were dead, She politely bows her head. When she can't persuade her mother that it's time to go to bed. -London Vanity Fair.

A Boy in Spring. Willie—Papa, if I was twins would you buy the other boy a banana, too? Papa—Certainly, my son. Willie—Well, papa, you surely ain't going to cheat me out of another banana just 'cause I'm all in one piece. -Judge.

When Sarah Hugs, oh, mercy me! She throws her arms out far apart; A joy-bird ditters in your heart; For once in life you're sure on deck; She reaches twice around your neck. -Louisville Herald.

Victorian Age. The Infant Prodigy has reached the middle of an exceedingly difficult piano solo, and one of those dramatic pauses of which the celebrated composer is so fond has occurred. Kindly, but Underscoring Old Lady—Play something you know, dearie. -London Punch.

Agents Wanted. We want the calshins, hides, sheep pelts, tallow, bones, etc., collected in your vicinity. Can't you arrange to purchase these goods for us this spring? We will furnish the cash with which to buy; we will also furnish tags, advice sheets, taking of directions, cloth posters to enable you to advertise the business, etc., etc. We pay highest cash prices and keep our customers thoroughly posted on the condition of the market and pay the freight.

To any one writing us and mentioning this paper we will mail full particulars. Address Carroll S. Page, Hyde Park, Vt.

Free to Farmers. To any farmer who will write us, mentioning this paper, we will send free, postpaid, several formulas for making a first-class fertilizer at home, together with the cost of the ingredients, directions for mixing, etc.

The Vermont Experiment Station in its bulletin No. 116 has the following to say with reference to the value of home-made fertilizers as compared with the ordinary commercial brands: "On every account, however—financial, educational, agricultural—it is better to buy the crude stock and home mix if one uses a ton or more."

Every up-to-date farmer should be interested in the subject of home-mixed fertilizers and we are in position to help them. Address Carroll S. Page, Hyde Park, Vt.

Fertilizer for the Garden. It is generally conceded that there is no better all-around fertilizer for use in the garden than pure raw ground bone. The kind we make is a by-product in the manufacture of Page's Perfected Poultry Food and is guaranteed to be free from adulterations of all kinds and contains all the natural ingredients of the bone.

We sell it for \$3.35 per barrel of 200 pounds, freight paid to your station. Send us \$3.25 in check, postal money order or registered letter, and a barrel will be shipped you promptly.

We can also furnish you with formulas for mixing the ground bone into a complete fertilizer and shall be pleased to do so if you will write us mentioning this paper. Address, Carroll S. Page, Hyde Park, Vt.

ABOUT THE STATE.

Items of Interest Gleaned From Our Exchanges.

J. R. Mead camp, Son of Veterans, Randolph, which was organized but a few months ago is now the second largest in Vermont.

The Payne Black Slate company of Northfield has filed articles of incorporation in the secretary of state's office at Montpelier.

Plans are assuming definite shape for the building of a Greek Catholic church at Proctor. The Vermont-Marble company has donated enough land to the Greek society for the building and friends and members of the society in Proctor and elsewhere have contributed a very liberal sum for the erection of the church.

SPRING VACATION. Matildy come from boardin' school A week ago tonight, An', say, you ought to see the gal— She's jest a reg'lar-fright; She's ben away for seven months, A-learnin' this an' that, An' now she's just so full of style She don't know where's she at.

She uses words that, goodness knows, We never heard before; An' dresses, gae! you ought to see Her sweep across the floor. She's got a gown of silk an' such, All trimmed with fancy lace, That rustles like as if a train 'Wus goin' past the place.

An' when we're called to eat, We men folks have to git our coats Before we take a seat; She's teachin' me an' Bill an' me To use an extra spoon, An' says she'll give us extra forks For pies an' such things soon.

The critters are all creatures now, An' logs ain't hogs—they're swine, An' nigger songs have took the place Of such as "Auld Lang Syne"; Of funny little odds an' ends The front room's got a stack, Which, though they ain't no god at all, Are Tilly's brick-a-brack.

Them air an' clothes ain't nat'ral-like (Fer such a girl as Eli), An' of them nigger songs we think That we have got our fill. So, though she wants to hurry back, We figured out today, We'd keep her home an' trash her in The good old-fashioned way. -Denver Post.

TO CURE ANY DISEASE.

The Cause Must be Removed, Same Way With Dandruff.

Kill the germ that causes dandruff, falling hair and baldness, you will have no more dandruff, and your hair must grow luxuriantly. Newbro's Herpicide not only contains the dandruff germ destroyer, but it is also a most delightful hair dressing for regular toilet use.

No other hair preparation is on this scientific basis of destroying the dandruff germs. It stops all irritation, keeps the scalp sweet, pure and wholesome. Remember that something claimed to be "just as good," will not do the work of genuine Herpicide. Sold by leading druggists. Send list in stamps for sample to The Herpicide Co., Detroit, Mich. Rickert & Wells, Special Agents.

M. Fallieres' Umbrella.

The new French President is deeply attached to his umbrella, which accompanies him on every occasion, and is likely from now on to become a favorite subject for French political caricaturists, much like the collar of Mr. Gladstone or the monocle of Mr. Chamberlain. The only other chief of State who has ever been given to umbrellas was King Louis Philippe, who rarely was seen without one and in whose hands it took the place of both scepter and sword. Yet in spite of this analogy of tastes, it was M. Fallieres who, as Premier, was responsible for the expulsion from France of King Louis Philippe's grandson, the late Comte de Paris, and of the Duc d'Orleans.—London Globe.
