Well, if the wage earners approve of Clement and want him for governor they will do it with their eyes wide open, and will have themselves to thank when their pet measures run against a rock.—*Randolph Herald & News.*

That's more than can be said for The Herald's candidate, Mr. Proctor. Mr. Clement has stated honestly what he believes, and although the workingmen may not agree with him, they respect him more than they do the man who so far has no opinions on public matters he is willing the voters should know about.

PARTY-HIDDEN BURLINGTON.
 Party politics has such a strong hold on municipal affairs in Burlington that it would be extremely hard to throw off the influence. Beginning with the office of mayor and running down through the list to the inspector of leather the touch of politics is felt. And a fresh indication is shown just now in the election to fill a vacancy in the aldermanic board, caused by the death of a Democrat—we speak of the death of a Democrat because everything in Burlington is Republican or Democrat. There it is not so much a question "Is he the best man?" as it is the question "Is he a Democrat?" or "Is he a Republican?" When the deceased alderman was alive

FOOD OR STIMULANT.

Ask your doctor if when he orders a patient to drink lots of pure milk he advises the addition of a large quantity of whiskey. He'll tell you "no" very emphatically. Yet there are people who, when ordered to get Scott's Emulsion, will accept some wine, cordial or extract of cod liver oil and think it is the same thing or better. If you want and need cod liver oil in its best, purest and most easily digested form, get Scott's Emulsion. If you want whiskey, that's another matter, but don't look for the same results.

SCOTT & BOWNE, 409 Pearl St., New York.

the board stood at a tie, five to five, and Mayor Burke threw his ponderous weight on the side of the Democrats. Now, the death of a Democrat has placed everyone on the qui vive, for the great balance of power is in question. Should the Republicans, as such, elect an alderman in the fifth ward to succeed the Democrat who died, they would then have enough votes to control the city council. Should a Democrat succeed a Democrat, the supremacy of that party would remain. Therefore, the great issue is whether the one or the other party shall win out in the ward election which is to be held soon.

And all to settle what streets shall be macadamized, what children shall be city paupers and what water rents shall be charged by the city and kindred matters. Where should politics play a part in that?

by the illness of his mother, Mrs. Jennie A. Pike.

A brother of Mrs. E. A. Rosebrook, Dan McLeod of Prince Edward's Island, visited her several days recently, returning to his home Wednesday.

H. D. R. Dunsell expected to install a telephone on the M. F. line in his home today, he building a line to his residence from the main line on the river road.

M. D. Beaus of Barre, an old resident of this town, visited friends here over Sunday and this week.

Albion Beaus' brother visited him over Sunday. He was en route to Greensville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Sufferers cough and cold cure and throat and lung healer. Guaranteed by the Red Cross Pharmacy. 30c and \$1. Trial bottle free.

See Abbott's advertisement on page 3.

D. R. Tibbetts has a telephone connection on the M. F. line, installed in his house last week. A. T. Davis and M. E. Beckley performed the work.

F. E. Walker has tendered his resignation to the creamery company. We are sorry to have "Floss" leave, as he is an accommodating man in his place at the creamery, always jovial and good-natured.

The Rev. F. E. Currier preached a very able sermon from the Methodist church pulpit last Sunday. We welcome this good man and trust there will be hearty co-operation between pastor and people.

Dan Tibbetts is cutting stone for the underpinning of W. E. Lambert's new building, and later will place the stone-work.

Nellie Tibbetts is engaged for the season in the home of Mrs. J. Berton Pike.

37 SHORT TROUT.

Said to Have Been Found in Merrill Bailey's Possession.

Stowe, May 4.—C. E. Perry, game warden at Chester, has arrested Merrill Bailey of that town for having thirty-seven short trout in his possession. A hearing was held and Bailey was bound over under \$400 to appear at Woodstock June 4. D. A. Parks of Chester furnished bail.

A Much Fined Man.

Burlington, May 4.—Napoleon Mercier was fined \$300 in county court yesterday for selling liquor. He pleaded guilty. This makes \$1,200 assessed in fines for similar offenses at this term.

Bethel's New Bank Building.

Bethel, May 4.—The old buildings owned by E. M. Weston and John Kelleher on the site of the proposed National White River bank building have been demolished and the debris is being removed. The new building will be two stories in height, of brick with granite trimmings, in the exact center of the village.

Fortunate Missourians.

"When I was a druggist at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Sufferers cough and cold cure and throat and lung healer. Guaranteed by the Red Cross Pharmacy. 30c and \$1.
