FACTS IN NATURE.

Not Only Do We Get Inspiration From Nature, But Health as Well.

For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, biliousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach troubles as well as many other chronic or lingering ailments. This concentrated extract of Nature's vitality he named "Golden Medical Discovery." It purifies the blood by getting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach indigestion, torpid liver, or biliousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, sitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or lightheaded symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. All its ingredients printed in plain English on wrapper.

The sole motive for substitution to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery."

Constitutional causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. One a laxative; two or three are cathartic.

IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Barre Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains come from sick kidneys, 'tould save much needless weeping.

Doan's Kidney Pills cure sick kidneys. Barre people endorse this.

Mrs. Daniel Ryan of 54 West street, Barre, Vt., says: "On account of kidney complaint I was hardly able to do my housework. The severe pains in my back, with the headaches and spells of dizziness, were almost more than I could bear. There was also a kidney weakness which disturbed my rest at night. I could hardly stoop over on account of the pain in my back and every cold I caught was sure to settle in my back and aggravate the whole trouble. I saw Doan's Kidney Pills advertised and sent my little girl to E. A. Drown's drug store for a box. They were just what I needed and acted directly on the kidneys, relieving the aching in my back and correcting the action of the kidney secretions, while the spells of dizziness passed away. My back became stronger, I felt better in every way and could do my work without feeling the weakness in my back. You are at liberty to tell the people of Barre what Doan's Kidney Pills did for me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
