## Woman's Trials.

The bitter trail in a woman's life is to be childless. Who can tell how hard the struggle may have been or she learns to resign herself to her lonely lot? The absence of this link to marital life together, the absence of this one pledge to mutual affection is a common disappointment. Many unfortunate couples become estranged thereby. Even if they do not drift apart, one may read the whole extent of their disappointment in the eyes of such a childless couple when they rest on the children of others. To them the largest family does not seem too numerous. In many cases of barrenness or childlessness the obstacle to child-bearing is easily removed by the cure of weakness on the part of the woman. Dr. Pierce's Favorite Prescription has been the means of restoring health and fruitfulness to many a barren woman, to the great joy of the household. In other, but rare cases, the obstruction to the bearing of children has been found to be of a surgical character, but easily removable by the latest operative treatment at the Loyalist Hotel and Surgical Institute, Buffalo, N. Y., over which Dr. Pierce of the "Favorite Prescription" is also president. In all cases where children are desired and are absent, an effort should be made to find out the real cause, since it is generally so easily removed by proper treatment. In all the various weaknesses, displacements, prolapsus, inflammation and debilitating, catarrhal drains and in all cases of nervousness and debility, Dr. Pierce's Favorite Prescription is the most efficient remedy that can possibly be used. It has its credit hundreds of thousands of cures—more in fact than any other remedy put up for sale through druggists, especially for women's use. The ingredients of which the "Favorite Prescription" is composed have received the most positive endorsement from the leading medical writers on *Materia Medica* of all the several schools of practice. All the ingredients are printed in plain English on the wrapper enclosing the bottle, so that any woman making use of this famous medicine may know exactly what she is taking. Dr. Pierce takes his patients into his full confidence, which he can afford to do as the formula after which the "Favorite Prescription" is made will bear the most careful examination. Dr. Pierce's Pleasant Pellets are the best and safest laxative for women.

## ONLY ONE "BEST."

The People of Barre Give Credit Where Credit is Due.

People of Barre who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only, made from pure roots and herbs, and the only one that is backed by cures in Barre. Here's Barre testimony:

Isaac Gonnys of 23 Branch street, Barre, Vt., says: "I have been bothered more or less for years with an aching back and sharp pains through the loins when stooping. My work requires a good deal of heavy lifting and as a rule in a damp place which, of course, aggravates my trouble. I learned of people here in Barre who had been cured by Doan's Kidney Pills, so I went to E. A. Drown's drug store and got a box. They did me a lot of good, and since I have used them there has been no pain in my back and I rest well nights. I am glad to recommend Doan's Kidney Pills as an excellent remedy for backache."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### SIRENS AND SONS.

Although Vice President Fairbanks is the tallest man in the senate, his third son, Frederick, who is his private secretary, now overtops him by half an inch.

Dr. William Elliot Griffin, the first white man to go to the interior of Japan and the one who established the present school system in that country, is in New York.

Captain Alexander Simpson has just completed his seventy-first voyage from England to Australia. He has been at sea forty years and has sailed more than 2,000,000 miles.

James W. Wilson of Manchester, N. H., is the owner of a badge marked "Buchanan and Breckinridge" and worn in the campaign of 1856. The emblem, which bears no date, is made of pink silk.

Lord Wodehouse, who has been elected for Mid-Norfolk, is the youngest member returned to the new British parliament, having completed his twenty-second year last November. He is the youngest son of the present Lord Kimberley.

Cornelius Vanderbilt, who is commodore of the New York Yacht club this year, will have four yachts in commission. The steamer North Star, named after the first vessel owned in the Vanderbilt family, will be the flagship.

Congressman P. P. Campbell of Kansas is regarded as one of the best dressed men in Washington. His correct sartorial taste led one of his friends to describe him as "the only member of the Kansas delegation who does not look like a Kansan."

L. F. Petrie, a Clarksville (Ark) merchant, just twenty-one years old, was recently elected mayor after a one day's campaign. He had no intention of entering into politics until the day before election, when some young friends persuaded him to run.

Russell Sage at last has been eliminated as an active factor in Wall street's world of finance. Although he is still a director in twenty-six railroads, industrial and financial corporations, he will appear no more at the directors' meetings, which he attended so punctually for years. Mr. Sage will be ninety-five years old in August.

### THE ROYAL BOX.

King Edward has nine motor cars. The king does not need to have his cars numbered and does not use a driving license.

In accordance with Spanish custom, King Alfonso will present his bride with her wedding dress (which is being made in a Madrid convent) and five other gowns. Still following the Spanish custom, the bride will provide all the house linen for her new home.

Since his marriage the German crown prince has turned over a new leaf and is settling down strenuously. He is full of plans for developing his princely estate at Oos and has promised to double the salaries of his employees if they produce the best wheat and rye in Silesia.

The queen of the Hellenes probably dispenses more of what may be described as "official kisses" than any one on earth. Every lady presented to her with whom she is on intimate terms she kisses on the cheek. Others who have not the honor of knowing her well she kisses on the forehead.

### CHURCHMEN.

Twelve-year-old Flora Roberts, who lives near Derby, Conn., has a pair of trained steers which she drives about attached to a dogcart. She has made a ring in a field on her father's farm, where she puts the animals through a regular course of circus tricks.

The most interesting figure at the recent unveiling in Paris of a monument to Alfred de Musset, the French poet, was the old governess of the poet. Her name is Mile. Adele Collin, and she is a nonagenarian. She was so infirm to walk alone and had to be supported to the place. She is writing recollections of the poet.

Mrs. T. P. O'Connor, who praises the naturalness of American women, saying that characterizes women in England, the wife of T. P. O'Connor, M. P., leader of the Nationalist cause and journalist, is a Texas woman. She is a playwright and when on the stage was a charming actress.
