This means that your town will have no representative in the legislature; that your town will become one of a chain of towns and that this chain of towns will elect a representative. Will you stand for it? There's just one way to avoid this Clement plan and that is to vote the straight Republican ticket.—Adv.

Consider the Purity of the Vinegars You Use

The adulteration so frequently found in ordinary vinegars makes it imperative for every housewife to consider how and of what the vinegar she uses is made. For purity and wholesomeness, pure-food authorities everywhere acknowledge but one kind—

Heinz Pure Vinegars

There are three kinds—Malt Vinegar for table use and salad dressing; White Pickling for pickling and preserving also an excellent table vinegar; Cider Vinegar for those who prefer it. All are free from adulteration and impurity, each is the finest of its class.

Heinz Malt Vinegar is brewed in a special manner from selected barley malt. Its delightful aroma and smoothness make it indispensable where fine flavor is desired. We sell Heinz Pure Vinegars in sealed bottles or by measure.
