OPENING FALL SALE

AND Exposition of the New Modes for the Season at Hand.

Saturday, October 6th, will mark the opening of Fall and Winter business. At this time our complete showing of Fall models will be on parade for inspection.

For those wanting the more exclusive fabrics it is advisable to make selections early in the season, and we invite the interest of those who desire the widest range of selection.

The prominent feature in Business Suits is the form fitting back with flared skirts. In some styles this is pronounced, and in others only moderately so.

The same style prevails in Overcoats. Business coats are moderately long. In Overcoats one may wear a style 45 or 50 inches long, or some length between the two, and any of them will be correct.

We have a very wide range of fabrics this season, as well as the correct new styles, and we may say that we have never shown an assortment more pleasing in every respect, than we now present for your consideration.

Sincerity Suits from \$10.00 to \$22.00
Sincerity Overcoats from 10.00 to 22.00
Other Suits from 5.00 to 22.00
Other Overcoats from 5.00 to 25.00
