Who Can Join

THOSE WHO WISH TO SECURE THE BEST SEWING MACHINE

The one that will last longest and do the most satisfactory work.

Those who wish to know that no agent's commission or credit charge is added to the cost of their machine.

Those who value their time and strength enough to secure the easiest running and the most rapid stitching made.

TWO DOLLARS secures the immediate delivery of the Machine you select. This is credited to your club account and the balance is paid in weekly dues of ONE DOLLAR each.

Reasons

FOR BUYING A STANDARD ROTARY SHUTTLE SEWING MACHINE

Runs 75 per cent lighter than old-style machines.

It is a rapid sewer—makes 175 stitches while others make 100. It does not break thread when machine is run backwards.

It makes both the two-thread lock stitch and the single-thread chain stitch, a feature no other machine has.
