Have you ever realized the comforts of a Sweater? Quick and easy to get into, a protection from the cool evenings, at the same time from the very nature of its make-up it repels the heat. When you go out for a game of golf, a row, a ride or a walk, how convenient it is to slip on a Sweater. The Pony Golf Sweater, of which we are showing a large line, is the proper thing for this Summer. They come in navy, cardinal, white and oxford. Price range from \$1.87 to \$2.98.

White Skirts of Linen Lawn and Indian Head Linen.

There is no woman but what has several White Waists in her wardrobe. To buy a pretty White Skirt separate from the Suit has been difficult in the past. This Summer it has been our aim to secure such a line of White Skirts that will be full widths, properly tailored, with styles that can be easily matched up to the pretty Waists which are now being worn. You can readily see it's a saving of quite a little.

Among the large line we are now showing are Skirts of Linen Lawn and Indian Head Linen, lace trimmed, strapped, tucked and plaited; also the very latest in Polka and Moon Dots. The prices grade from \$1.50 to \$10.00 each, with the majority of them among the popular priced.

On those 50c Twelve-button Gloves we advertised you better not wait too long. The way they have been selling they can't last long.

Former Hartford Man Commits Suicide.

Joseph Venette, 39 years old, who went to Easthampton, Mass., from Hartford, in March, committed suicide in his bedroom in the house of Mrs. Sarah Ramsey late Wednesday afternoon.

It is thought that Venette committed suicide because he was out of work and dependent. He was a man of peculiar disposition and manner. In March he went to Easthampton, entered the employ of C. L. Bugbee, manufacturer of wagons, and worked there until a week ago, when he got through because there was no more work for him. When he went to Easthampton he went to board with Mrs. Ramsey who, with other members of her family, is employed in one of the Easthampton mills. When he got out of work he left town, and it was understood that he was going to Williamsburg. Tuesday he returned and, without explanation, took up his old residence and became again a member of the Ramsey household. On Venette's body were found a watch and \$25.17, in money.

Best Suits in America for \$15

We are willing to be judged by our \$15.00 Suits. In the first place, they are equal to the usual \$18.00 and \$20.00 Suits sold elsewhere. That's a saving to begin with. Then they are the famous "Rossman Clothes," and that speaks volumes for their style, materials and workmanship. That's the whole thing in a nutshell. But another point is that there are hundreds of good dressers in town who think they are the best ever; and we want a lot more men to try them who think that \$15.00 ought to buy a rattling good suit. Better try one. A new lot of patterns just in from their celebrated workshop. "Rossman-made Clothes" bear the Union label.
