July Sale of Furniture!

CAN'T EXPECT THESE PRICES LATER ON

The booming of cannons and other noises that accompany the early days of July are things we look for, but news like this is entirely out of the ordinary. And extraordinary, too, are the prices which we quote that hover around the cost mark. Considering that July is not a usual sales month this news is the more sensational.

Here Are a Few Bargains!

- Large Flat Arm Rattan Rockers, \$1.75
Other Rockers, \$2.25, \$2.50 and \$3.25.

The above values have never been equaled in this vicinity, nor can they ever be. This fact has been demonstrated to our customers many and many a time. It takes experience in buying, money, carload quantities and storage to do the trick. Look the above values over and be convinced.
