### PLAINFIELD.

A heavy thunder storm visited this town Friday afternoon, between two and three o'clock. The blacksmith shop of E. W. Page was struck by lightning. Little damage was done except to tear some shingles from the roof. Mr. Page was at work in the shop at the time and a lady and child were waiting in the building. Fortunately they were unharmed. The same bolt struck the home across the road occupied by George St. Cyr. The chimney was knocked off the house and the gable end of the building was more or less shattered. The lightning entered the house and set fire to the carpet, but the fire was soon extinguished. This is the second time the lightning has struck in the village this summer.

### Notice.

Having put on extra express between Barre city and Websterville side of the hill, I can give my patrons prompt service. Call or telephone Lawson's stable for Websterville and 3-11 for Graniteville. W. W. Bellville.
