

# Saturday Will be Known as Hosiery Day at Fitts' Store.

Next Saturday you will have the opportunity of saving from 65c to \$1.50 a dozen on some of the best values we show in Hosiery. The Stockings we advertise are worth from ten to fifteen per cent more than our present prices on them today. Some of them are less than the present cost prices for next Spring's delivery. We want you to become better acquainted with the excellent values we show in this department, besides we want to close up a few odd styles and sizes. It's good judgment to buy them by the dozen—your saving is so much the more.

- The best 15c Hose offered for boys or girls. A good bargain is a walking advertisement in the person of a pleased customer. The only favor we ask is that you compare prices and qualities. **10c** \$1.15 a dozen
- This is an odd lot of boys and girls Hose and an advertised 25c Stocking, and never sold for less. We have them in sizes 7, 7 1-2, 8, 8 1-2 and 9. You save \$1.00 a dozen on them. Worth investigating, isn't it? **17c** \$2.00 a dozen
- The best 50c lace boot and all over Lace Hose for women we have seen this season. A beautiful fine lisle and pretty lace effects. You save \$1.50 on a dozen of them. You couldn't invest \$4.50 at a saving of 33 1-3 per cent much better, could you? **40c** \$4.50 a dozen
- This is a woman's Hose. A good 17c value today; pretty embroidered. Our only excuse for selling them at such a price is that we have only a few dozen left. **10c** \$1.15 a dozen
- A Woman's Hose in good shade of grey, prettily embroidered or plain and at excellent value at 25c a pair. Only a few dozen of these. **15c**
- The best 25c Gauze Lisle Hose offered this season. Is soft, sheer, silky Stocking and a big favorite all this season. You save 50c on every dozen. **21c** \$2.15 a dozen
- A fine Lace Lisle in white, fine yarn, a pretty finish and exquisite patterns. Really more desirable than silk and equally as pretty. They wear nicely and retain their lustre. **39c**

Other small lots with only a few dozen of a size that go into this sale. You'll do well to buy liberally as these values are really exceptional.

Do You Wear a Truss?

If you do, does it feel right? Does it fit right? Does it do its work. The next time you buy a Truss be sure that it fits right.
