

Bath Robe Blankets!

\$2.25 to \$5.00.

The Beacon Bath Robe Blanket is no accident—it didn't "just happen"—it's the result of much study, careful experiment and the employment of the most modern machinery and methods. The Beacon Bath Robe Blankets is sanitary—does not retain dust or germs. It is warmer than wool, being more closely woven. It can be readily washed and does not shrink. Being made of cotton they are not subject to the destruction wrought by moths. They are delightfully soft and fluffy in finish—finer than the finest wool, and last, but not least—they may be purchased for about half the price of a wool blanket. They come in an elegant assortment of soft shades and pretty patterns; size 72x90—ample for any size robe. Prices range from **\$2.25** in all-cotton to **\$5.00** in all-wool.

Best for the money only is good enough for us.
