

DELAY FEEDS IT

Just a little mild kidney disease don't amount to anything, but let it run for a few weeks or months and you have got just what has baffled medical science for over forty years and was till very recently incurable.

Sometimes it is slow, but to show how fatal it is, and how futile the old-time kidney medicines you have been taking, let us tell you that the deaths from kidney troubles are now 63,000 annually—over 170 per day.

The way to prevent this mild kidney disease becoming chronic is to treat it from its very first hour of appearance as if it were chronic.

After a great deal of effort and correspondence, D. F. Davis, the popular druggist, has succeeded in getting the Dr. Howard Co. to make a special half-price introductory offer on the regular fifty-cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a recent discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief, but it makes permanent cures.

CURED AFTER SIX YEARS OF SUFFERING

Chronic Stomach Trouble Proven Incurable by Physician Yielded to the Tonic Treatment Although Patient Had No Faith in It.

"For six years I suffered untold misery from stomach trouble," says Mrs. H. P. Flanagan, of Canton, South Dakota, "although I was treated by four physicians. No two agreed as to the nature or cause of my disease. One said I had ulcers of the stomach, another that it was chronic stomach trouble and incurable, another called it neuralgia.

"The pain was dull, not sharp, and when I walked or rode I noticed that it was a great deal more severe. It was relieved when I rested or would lie down. I had no appetite and didn't care to eat at all. I tried to eat to keep up my strength but the pain was there whether I ate or not. I was run down in strength and weight.

"My husband read of Dr. Williams' Pink Pills and persuaded me to try them. When I began to take the pills I had no faith in them whatsoever but I had found no relief in anything else, so I tried them. I took about three boxes and am so well now that I eat every thing I want to. I have no trouble with my stomach and have no doubt that my cure is complete. My general health is good and I have gained in weight. I can and do recommend Dr. Williams' Pink Pills to any one suffering from stomach trouble."

Dr. Williams' Pink Pills do not simply deaden pain; they cure the trouble which causes the pain. They are guaranteed to contain no narcotic, stimulant or opiate. For rheumatism, indigestion, nervous headaches, many forms of weakness and debility Dr. Williams' Pink Pills are recommended even if ordinary remedies have been tried without relief.

Dr. Williams' Pink Pills are sold by all druggists, or sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y. A copy of our diet book will be sent free.

TELEGRAPHERS TO GO BACK TO WORK.

President Small Is Quoted as Saying That 10 Days Will Set Strike Finish.

Chicago, Ill., Oct. 4.—President S. J. Small of the Commercial Telegraphers' Union, in speaking before the strikers, is quoted as saying that in arbitration lies the only solution. It was intimated that he had lost hope of a successful termination of the strike. "I honestly believe the strike will be settled within 10 days. But after a strike of two months we must not be too sure we are going to get all we ask for. The companies have fought hard, and are not liable to capitulate." Such is the statement he is said to have made.

HE WANTED EXCITEMENT

Boy Caught in Act of Setting Fire to Stable

AT JACKSONVILLE, VT.

Henry Gallegher, 18 Shadowed by Deputies, Is Caught—He Admits Setting Four Other Fires, the Officials Say.

Brattleboro, Oct. 4.—Henry Gallegher, 18 years old, was arrested in Jacksonville while in the act of setting fire to the stable connected with the Glen House. Gallegher, the officials say, confessed that within the past month he had set four of the five fires that have caused a reign of terror in the village. He was sent to the county jail at Newfane yesterday to await the action of the county court.

For a month the people of Jacksonville have been in a state bordering on panic because of the activity of some unknown freb. Three barns and two dwelling houses have been set on fire, two of these fires resulting in heavy property loss.

For a week 10 special deputies have been patrolling the village. Suspicion was directed to Gallegher, and he was shadowed and finally captured in the act of starting a fire in the stable of the Glen House. He had saturated a rope with kerosene, hung it over a beam in the hayloft and set it on fire. The blaze was extinguished without damage.

Gallegher's only excuse, according to the deputies, was that he "wanted to have a little excitement." He told the officials that his home was in Fall River, and that previous to coming to Jacksonville last November he was in Jaffersfield, Mass. Before that time he had been an inmate at some Massachusetts reform school. He worked at the Glen House, being employed as a stable boy.

Fred won high honors and stood at the head of his class here, and the fact of his having at the age of 17 passed Harvard examinations proves his scholarship to be of a high order.

Mrs. Granger moved to Randolph, Mass., last summer, and has lately bought a house there and will make it a permanent home.

The funeral of Mrs. W. H. DuBois will occur on Saturday afternoon. Charles DuBois has arrived in town and other relatives are expected. DuBois in June, 1888, since which time she has been the efficient mistress of the household. She had a host of friends and her death causes general sorrow.
