Princess and Empress Dressers

Hulda says: "If there is anything I do enjoy it's to sit in front of one of those Princess or Empress Dressers and arrange my toilet. I don't wonder at some ladies spending so much time in front of one."

We've been unusually fortunate in our selection of Dressers this season. Never have they been quite so handsome in design and finish, nor have we been able hitherto to quote such low prices for like quality and style. There are three styles of finish in vogue—Birdseye Maple, Mahogany and Golden Oak. They have long French bevel mirrors, serpentine fronts and tops and are trimmed in solid brass handles. We have a perfect dream at \$16.50. Your inspection is solicited.
