Words of Praise

For the several ingredients of which Dr. Pierce's medicine are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has the RADICAL CURE in every bottle, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, discharges, catarrhal, pelvic drain, dragging down distress in lower abdomen or neck, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or other derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

The hospital surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and long treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of women's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time.

You can't afford to accept a second opinion as a substitute for this remedy of a cheap compound.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

AMUSEMENT NOTES

The Lion and the Mouse.

Since the last performance of "The Lion and the Mouse" here at the opera house it has established a new record in theatrical history and will revisit Barre for one night only on Monday, November 25 and Mr. Harris will again present this wonderful play with an exceptionally strong cast, and the production new and complete in every detail.

"The Lion and the Mouse" the play that all America is talking about just now, will be presented here by Henry B. Harris and with a company that has been especially selected to insure a perfect representation. Charles Klein wrote "The Lion and the Mouse" and the best judges of matters dramatic have given him credit for creating the great American play, for which everybody has been patiently waiting for many years. The subject which Mr. Klein selected is one of vital interest to America at this time—the influence which the financial powers of the country are exerting—and he has treated the matter in a masterly manner. While the drama is serious in its aspect there is an abundance of humor introduced in the broadside of as keen-edged wit as it has been the playgoers pleasure to listen to in many years.
