# Christmas Suggestions OF USEFUL GIFTS

A Bissell Carpet Sweeper. It would be the first gift to be used after clearing away the Christmas Dinner.

A Picture for that vacant place on the wall would be as suitable as any gift that could be made. Only don't buy the trashy kind. More taste can be displayed in selecting a Picture than in almost anything else.

A Parlor Chair. A pair of Portiers. A Foot Rest. A Center Table. All of these are eminently fine gifts. Say! Had you thought of a Rug? If not just put it right down in your memo book, as we have the finest assortment to select from.

## Platform Rockers

What would you say to buying your husband one of those fine Leather Platform Rockers, just like cut only better, for \$27.50? An association of 3,000 buyers, of which we are members, enables us to offer this Rocker at the price. Price them elsewhere and be satisfied. We always welcome comparison.

Pictures, Statuettes, Rugs, Leather Rockers are being shown in our windows for two days. Select the one you want. We will guarantee its delivery at the time you specify. Christmas greeting to you all.
