The working men of Barre who remember the effort, in time and money expended, in the late Hardwick strike by the Rev. L. A. Wilson of that town, will only in a small way repay him by turning out to hear his lecture on Socialism at Miles hall to-night. As he is splendidly versed on all subjects pertaining to the advancement of the labor movement, there is bound to be a rich treat in store for all who earn their bread by the sweat of their brow. The lecture will also give back the lie that all Socialists are "infidels," "free lovers" (socialists), and "stand-pat-ists" for "sliding up" every Saturday night. We extend a hearty welcome to the clergy of Barre and to all thoughtful men and women. It is up to each and all who are "doubting Thomases" and who are skeptical as to the aims of Socialism, to turn out and give this brilliant and self-sacrificing exponent of the higher life a welcome to the Granite City. Socialist press committee.

It paid some people to pay us cash the past year. We gave our customers over twenty-five hundred bags of Flour on cash purchases. Two full car loads of Flour or a saving to the customers on present price of two thousand two hundred dollars. This, taken in connection with our low prices and high quality of goods, means a big saving. Did you get your share?
