

OUR FIRST CONSIGNMENT

Ginghams and Percales.

Several cases of Ginghams and Percales in the very newest plaids, stripes, checks and figures for Spring have just been opened up. Advices from the very best authorities are that Ginghams will be the most popular wash fabric shown this Spring and further that not over one-half of the orders can be filled on them by the manufacturers. This would indicate that the early buyers on these lines would get the cream of the selections. Make your selections early. Prices, 10c, 12 1-2c, 15c and 25c a yard.

DON'T FAIL

To lay in a supply of C-B a la Spirite Corsets since you can save from 25c to 75c on a Corset endorsed by the American Association of Dress Makers as being their choice over all other makes. Lines of sizes in all styles are beginning to get broken, yet with about six styles to select from no doubt your size can be found. Prices, 79c, 98c and \$1.25.
