## A WORD ABOUT FLOUR

Recently the Pure Food Commission has found that some so-called high grade flour was adulterated. The wheat was put through a bleaching process, which permitted the use of a very inferior grade, and various foreign substances were added and the mixture sold as first-class flour. To be positively sure you do not get some of that condemned flour, you would do well to buy our guaranteed brands. Brands that have stood the rigid tests of the Pure Food Commission and were pronounced strictly pure, high-grade flour, such as "Dorsey's Best" for bread, at \$7.00 per barrel; St. Lawrence, for pastry, at \$6.25 per barrel; "Gold Star," for either bread or pastry, at \$6.50 per barrel. Our motto: "Not how cheap, but how good."

**CLUB WOMEN'S MEETING.**  
Report of Recent Meeting of Executive Board at Bellows Falls.

Members of the Barre Civic Federation and other club women will be interested in the report of the recent meeting of the executive board of the Vermont Federation of Women's clubs held at Brattleboro, as told by the St. Johnsbury Caledonian this week as follows:

By invitation of the Bellows Falls Women's club a meeting of the executive board of the Vermont Federation of Women's clubs was held at Bellows Falls, Tuesday afternoon, January 28, at the home of Mrs. F. J. Perry. A good number were in attendance and reports were read, various phases of club work being considered. A letter was read from Miss J. N. Bland of the Vermont Industrial school at Vergennes saying that all literature contributed by those interested in the boys and girls would be gladly accepted and appreciated.

The executive board expressed its appreciation of the work done by the art committee of last year in arranging for such a fine exhibit of arts and crafts at the annual meeting and hoped the same might be carried on this year. It was voted to leave the matter in the hands of the art committee, Mrs. John D. Barrows of Brattleboro, chairman. The corresponding secretary will gladly forward any reports of club meetings or anything of interest in club work to the Federation Bulletin, and the federated clubs are hereby asked to send such items without further notice. Such items have to be in the hands of the editor of this magazine one month before time of publication.

After the board meeting the presidents of the clubs who were present met and appointed a sub-committee of three, who shall obtain from each member of the committee of presidents, nominations for the officers for the coming year, to be voted on at the next annual meeting. Mrs. L. E. Warner of Brattleboro, Mrs. E. W. Bisbee of Barre, and Mrs. E. L. Sibley of Bennington were appointed as this sub-committee.

The Bellows Falls club invited the board to be its guest that evening for gentlemen's night so the social feature was an attraction and proved to be a most enjoyable occasion. More than 200 were present. A few musical selections were followed by a teddy bear song, a funny sketch, and by the farce, "A Box of Monkeys." After refreshments dancing concluded a most social evening.

The officers of the Vermont Federation most heartily thank the Bellows Falls club for its kindly spirit in entertaining the executive board for its business session and giving all such a pleasure on gentlemen's night.

## WINTER IN VERMONT.

Some had made up their mind that we were not going to see any winter weather. Don't you fool yourself. We will see plenty of Vermont winter weather and see it right now. When the mercury drops out through the bottom of the thermometer, as it did in lots of places Wednesday morning its time to think of our Half-price Winter Clothing.

**WINTER GOODS**  
Kinds that this weather calls for—the kinds that you can save money on.  
If you are poor, all the more reason for thinking of this sale, as you can get a yarn garment that is not quite as good style at a very small price.  
Just say that you want a good warm Coat for a child or lady at a small price, and see how near we will come to your idea and price.

**WINTER GOODS**  
Children should be dressed warm, as they do not always have the judgment of older people as to when they are really cold.  
Ladies' Coats with fur collars are the kinds for this weather and ours are priced for selling, not for profit. (We took our loss on these when we took stock.)  
All of our Furs are in this same lot; it's this—get rid of them at a loss, rather than pack them away.

**WINTER GOODS**  
There are few pairs of those Wool Blankets left at markdown prices (yes, some of them at less than cost).  
There are a few of those damaged Bed Quilts on our table to close.  
Mussing Underwear, the warm kind, comes into use pretty well these cold mornings.  
Dr. Denton's Sleeping garments for the children keep them from kicking on these cold nights.

Those 10c and 12 1-2c Ginghams with 4c Thread Lace to trim are selling very fast.

# Friday and Saturday Market News

Really, we've got so much that is good that it's pretty hard to pick out any particular thing and tell you about it. To do this is almost doing an injustice to the other stuff. We did do it last week and the week before, however, and spoke of Pork Loin and Ham. Folks who bought them at the prices we sold them for, did not regret their purchase. We know because many of them have come in since and told us so and bought something else. Just to mention a few things that you ought to have at our prices—there are Chickens, Sausage, Fresh Pork, Apples, Lettuce and Onions. Take this home for breakfast. Fine fresh Western Steak, tender and juicy at 15c lb. That price is a specimen of the others that prevail at our market. Don't forget it's hard to phone us your order and we'll fill it just as well as if you were right here to oversee it. But come in and see us if you can. We deliver promptly.
