The water damage sale which is being launched on Friday morning by A. A. Don't fail to bear in mind the opening day. There's a delicious sense of freedom from the cares of the world after witnessing a performance of B. C. Whitney's pianist musical mixture, "Isle of Spice," which comes to the opera house Friday evening with a new dressing, new faces, new costumes, new scenery, new songs, new and startling electrical effects, all the old numbers furnished up in brilliant style, and an excellent cast, a chorus of beauty and grace. This most successful of musical extravaganzas is really worth witnessing. It is conceded to be better than the season's best.

"KEEP ON THE SUNNY SIDE!"

Don't look down in the mouth. The strike hasn't come yet, and strike or no strike we're going to keep right on selling Meats, Vegetables, etc., for the same low prices as we have since we started. Folks who have bought goods here know what that statement means, and folks who haven't been here heretofore will know that it means first class market products at lower prices than elsewhere in town. Some wonder how we do it. We'll tell them. We do business on a strictly cash basis, you pay a fair price for exactly what you get. We have no "bad bills" to charge in on your purchase. On that principle we solicit your patronage. Prompt delivery, 'phone 15-11.
