Another delightful social affair was held at the Vincitia club rooms last evening, when the members opened their rooms to the ladies. Refreshments of sandwiches, salad, sherbet and punch were served. Miss Craig's equipment as an entertainer is very complete. Her stage presence is greatly in her favor, as she is unusually handsome and magnetic. Her voice is unique in its elasticity, it being apparently no effort on her part to change it half a dozen times in one selection to this is added a rich vein of humor, control of dialects, particularly Scottish, Irish and negro--and the possession of an absolutely perfect child-voice, quite startling in its cleverness. In addition to her abilities as impersonator and elocutionist, Miss Craig has a remarkably fine contralto singing voice. Opera house next Monday evening.

The Daylight Store

OUR COURAGE

Is good. Mr. Morse is in New York now finishing up our Spring buying. You will find our usual good assortment and if the strike is not settled we will be just as anxious to sell as in former seasons. (The chances are a little more anxious.) Many jobbers are overloaded, this has given us a chance to buy well for this season's business.

- OUTING FLANNELS**
These are at a less price than we have been able to sell them and see our money back.
A good 25-inch White Outing now at 5c.
A good 27-inch White Outing now at 6c.
32-inch Heavy Outing that earlier sold at 12 1/2c, now at 10c.
Bleached Outing now at 8c and 9c, also a heavy twilled Bleached Outing now at only 10c (2c saving here).
Just received a new lot of colored figured Serims that are new and cheap. One of the best and newest things for wash and cottage curtains and the price is but 15c per yard.
- WASH GOODS**
We keep harping on Wash Goods for this reason: We can save you a little money here, give you a good assortment in colorings that are right.
For a cheap one we are selling a fairly good Apron (Gingham) at 5c per yard.
At 10c we are selling a good Gingham, all in new styles, as well as the plain colors.
At 12 1/2c you will find such values as 28-inch Renfrew Gingham that sell in a regular way at 18c. These come in unmarked pieces and sell at but 12 1/2c.
Our Crepe Chiffons with colored figures is one of the best values ever in our store, made to sell at 25c, now selling at 15c. It is a great value. We do not take this loss, it is taken by a jobbing house.
- SUESINE SILKS**
The reason that we are pushing Suesine Silks so hard is not that there is as good or better profit in them as in other makes; on the contrary, it is because they are so much superior to other finds at anywhere near the price, 47 1/2c yard (all colors).
Bramford and Armstrong Taffetas 27 inches wide at \$1.00, is a better silk at the price or at any price than you can buy. (Sounds like bragging.) Comes in all colors and is confined to us.
We have lots of faith and lots of customers on our Bramford and Armstrong Black Taffeta that we are selling at \$1.37 1/2.
We have a 23-inch Imported Black Taffeta at \$1.00 per yard that will be very hard to match.

We have a Champagne Chiffon with embroidered light blue cloth at only 18c per yard. (Very new.)

SOFT HATS!

We've some very new and swell styles in Soft Hats. Soft Hats are always popular and in great demand at Spring time. We're not exploiting any particular maker's Hats, for we've several choice blocks that are productions of different hatters. Young men are partial to smart styles. We've all the dapper shapes, \$1.00, 1.50 to 3.50. Older men want different blocks and we show all the good styles. \$1.50, 2.00 to 4.00. Fitting a man's head and face to a Hat, as it should be done, is an art--nothing short of it. We understand it and our patrons wear becoming Hats.

We Clean, Press and Repair Clothing. Fur Coats to Rent.
