Why Our Sausage Is Best!

Everybody knows that our Sausage is the "Green Mountain Brand." Everybody knows, too, that the "Green Mountain Brand" is the best Sausage to be had. Why is that the case? Well, we will tell you. In the first place we use nice pieces of pork in its manufacture. Secondly, we make it in a clean place and the men who work in our Sausage factory are clean. In the third place and chiefly we know how to make it.
