Utica, N. Y., March 31.—Governor Hughes was the guest of honor and the principal speaker at the third annual banquet of the Herkimer's Businessmen's association last night. Many windows in Herkimer were adorned with large pictures of Mr. Hughes bearing the words, "Welcome to our Governor." After his twenty-minute speech, Mr. Hughes came to Utica and boarded a train after midnight for New York, where he is to remain because of the primaries being on.

BOYS LATEST CAPER. Landed Him in The Industrial School at Vergennes.

Hyde Park, March 31.—Deputy Sheriff Stevens took Ernest Barnes to the Industrial school at Vergennes Saturday. The youth has been a source of great annoyance for some time. His father is dead and his step-father and mother have no control over him. His latest caper was boring a three-inch hole in a stick of stove wood, filling the same with powder and then plunging it up and putting the stick in a lot of wood his step-father had sold to a neighbor. Fortunately he was seen and arrested by Sheriff Stevens, to whom he confessed his guilt.

STRIKE OR NO STRIKE

We Are After Your Business Just the Same.

Having bought as liberally as usual at the expositions this past Winter we are, of course, overstocked. Natural, isn't it, with the present difficulty on? We did not anticipate any trouble. Very few did. However, we have got the goods and they have got to be paid for. This is a very painful thought, but true. We are going to make it an object for you to help us meet this deficiency. We are told that more than half of the men who have stopped work have bank accounts. We believe this. We also believe that you can save a big interest on your money by coming to us just now and buying those things you need in the furnishings of your home. Here you'll find a stock that contains everything that makes the home comfortable and at a lower price than has been made on the same goods in the past ten years. Let us prove this to you. A glance at our show-rooms will be convincing. Don't forget we are agents for the "Hoosier" Kitchen Cabinets and always show samples on the floor.
