

Waists That Are Charming

The Waists—wait until you see the exquisite embroideries, the rich batiste medallions, the lacy arrangements of fine insertion, the deft shirrings and plaitings. No, don't wait, come here and now you'll see them. Out of a stock overflowing with new and beautiful models we find three lines particularly valuable.

One is our line of Waists at \$1.00. On account of the variety of styles a description worthy of them would require too much space; our word for it they are the prettiest we have ever shown at \$1.00.

The other two lines are made of net over a foundation of china silk. The shirring of pretty edgings, combined with the newest of insertions, makes style and value deserving of a \$5.00 price. We have marked them at \$3.50 and \$3.98.

Remember it Costs You no More to Select From a Large Assortment and the Results Are Ever so Much More Satisfactory.
