The Daylight Store

We Found What We Were After.

We were in New York the first of this week, looking after our special orders and picking up some values in Ladies' Tailored Suits. We were able to pick up some values on our trip which are the best we have ever offered to the trade. Nice, plain Tailored Suits are what the popular trade are demanding, and these are mostly what you will find in our recent purchase. Thus far this has been the greatest Suit season we have ever had. Is it because we have had an extra large line of Suits, or is it because we have had just what the trade was looking for? Below are a few of the values offered.

LADIES' TAILORED SUITS.

We were able to get a few more of those All-wool Panama Suits, such as we have had such a run on at \$12.50 each. The Suits are a good Tailored Suit, well-lined, and are made in two styles, one plain tailored style, the other is braided.

At \$15.00 are a few fine Chiffon Panama Suits of extra value. These are Sample Suits, sizes 34 and 36. Real value is \$20.00.

At \$16.50 is a line of fine All-wool Worsted Serge Suits, made up in fine style and lined with a good quality Belding Satin. Has a full circular plaited skirt, colors, blue, brown and black.

At \$18.00 we can show you the largest line of fine All-wool Chiffon Panama Suits, also the fancy invisible stripes in the best styled Suits of the season. Come in blues, browns and blacks.

These are values we could not offer you if we were not in the market often, so to get the real values.

LADIES' TAILORED SUITS.

At \$20.00 we show a fine Suit made of an all-wool invisible striped worsted. This is one of the best values we have offered. Is made in a good length jacket style, finished with a fine silk braid around the waist and down the front. Has all the style of a \$30.00 Suit. Skirt is made very full circular gore style, with fold and braid around bottom. Colors, blue, brown and black.

At \$22.50 are some old Suits in blues, browns and blacks, which are a good value, there being only one or two of a kind. You run no chances of seeing a duplicate.

At \$25.00 is a variety of Suits in values we would like you to compare with other Suits you have seen at from \$30.00 to \$32.00. There are many of them. Suits which we could duplicate, as cloths are all closed out; thus giving us a chance to get them at a price which is a great saving to you.

We are bound to no firm to take a quantity of Suits, thus enabling us to get these extra values.

MISSSES' JUNIOR SUITS.

At \$10.00 is a Special Misses' Junior Suit of a fine quality all-wool Panama. Coat is made 26 inches long, is partial loose back and straight box front, with two pockets. Skirt is made seven-gore plaited, with fold around the bottom.

At \$12.50 is a very fine all-wool Serge Suit. Coat is made straight front with semi-fitted back, is finished with bias stitched straps of silk over the shoulder and down the front and back, is collarless with silk bands. Skirt is made thirteen-gore side plait, with two folds of silk on every other gore.

At \$15.50 is a Misses' Junior Suit, made of a fine all-wool Panama. Coat is made 26 inches long, is half fitted back and finished with a good quality silk braid; is collarless. Skirt is thirteen-gore plaited style, with self fold around bottom.

At \$18.00 is a Misses' Junior Suit made of a fine invisible stripe chiffon Panama goods, and is one of our best styles.
