This is the reason for our exceptionally large trade. It's the confidence our customers have in the goods we sell.

We are more than pleased with the results of our sales from our window display of new Rugs. It convinces us that people all like to keep ahead of the season.

This week we are showing another article that we all like to sit around when the first cool evenings come. THE LIBRARY TABLE. Be sure and have one bought and in its place before cool evenings get here.

Quality List With Talk on Prices.

Strictly speaking, there is but one kind of quality—that's good quality. That's the sort of goods we carry.

In going over the following list of articles, you may, perhaps, soliloquize something like this: "Well, I suppose I do need a new hat and a couple of shirts—and that Smith ad. says they've got just about what I want—but how'm I to know if that stuff they sell is any good?"

Friend, you may depend upon what we tell you in our ads and in our store as facts—unadulterated facts. Just check off with a pencil the things you want—handy way to remember them.

Terse Talk on Prices.

Prices talk of themselves. Low prices talk successfully and well. High prices talk poor business, ultimately bankruptcy.

Our prices talk every day in the year for us, and talk well. Frankly, we are not in the clothing business for pleasure. Frankly, again, we make a fair profit on the quality goods we handle. You, as a customer, get the benefit of everything over and above a fair profit. Isn't that a fair, square deal?

If you agree, step in this week and let us show you something that you need.

Montpelier people are loud in their praises of "Two Little Shoes," a picture that has been shown recently, and that will be shown to-day and to-morrow at the Bijou theatre in this city. There are two other pictures besides that one, and a good song. Have you felt the cooling breezes from the fans yet?

Some malicious person, presumably a boy, threw a large stone in through the open window of the Bijou theatre last night about 9:30 o'clock, which narrowly escaped hitting the piano player, Mrs. E. M. Laws, on the head. The affair will be reported to the police, and an attempt made to detect the guilty party.

There was a big attendance at the opera house last night to see the pictures; this in spite of the fact that it was the hottest night of the summer. There is another swell program to-night, including "Stage Memories of an Old Theatrical Trunk," "Glutton Taken for a Thief," "Unfortunate Pickpocket," "Good Medicine." Mr. Robertson will sing, "Under the Tropical Moon."

Say! Don't miss seeing the program at the Theatorium; it's a peach. The great picture, "The Spirit of '76," is only one of the bunch of dandies. It shows "Washington Crossing the Delaware," and many other historic scenes. It's a good bunch.

Market Specials for Saturday.

17 Bananas, medium-sized, "just right to eat," for 25c.

1 peck of tender, yellow String Beans, 25c.

In the meat line this week we've got some fine native Pork Loins that are just about what a thrifty housekeeper ought to have for a rousing good Sunday dinner.

If your family isn't big enough to warrant buying a whole loin, we'll cut just what you want and charge you something less than you expect.

We had a lot of those nice "Eden Gem" Cantaloupes come in yesterday. Nothing quite equal to them for hot weather breakfasts—such as we're having now. Taken right off the vine and served up with a bit of sugar on them, if you like, they're certainly delicious.

Say, why not have a watermelon sent home for Sunday? These sizzling hot days make a person feel as if one melon wouldn't be enough.

Here's some more fruit that might not come in amiss: Peaches, Pineapples, Pie Apples, Tomatoes.

Better order some of these, too: New Native Potatoes, Sweet Corn, Little Bunch Carrots, Native Bunch Onions, White Turnips, Cauliflower (first of the season) etc.

Our prices in accord with quality. Cheaper to pay a trifle more and get good stuff than to pay less and get poor, questionable stuff.
