WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away—Barre People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Barre testimony to prove it. George L. Cummings, engineer, living at 13 Branch street, Barre, Vt., says: "Eight years ago Doan's Kidney Pills, procured at E. A. Doan's drug store, stopped a constant dull aching in the small of my back and through the kidneys, which was always more severe after a hard day's work. In addition to the aching in my back there was a distressing kidney weakness which was most annoying. Doan's Kidney Pills cured me of all these troubles and there have only been slight recurrences since. At such times I have taken a few doses of Doan's Kidney Pills and the attack has always been promptly checked. I have recommended your remedy to scores of people and know of many who have the same good opinion of it that I have." For sale by all dealers. Price, 50 cents. The Grouch.

Just go round a-lookin' mean. Mouth with corners all drawn down, Eyebrows puckered in a frown, Boat the worst you ever seen, Glimmest feller in the town.

Never knowed to take a joke. No one never seen him smile. Suthin' seems to make him bile When a pleasant word is spoke, He's just that way all the while.

Rugged, too, when I get sleet, Don't have no good appetite, Innards ain't no feelin' right, Back is achin' with a crick, I get mad enough to bite.

He's well fixed as any one; Got some money to invest, Notes that's payin' interest, He could have no end of fun, Have his choosin', work or rest.

What's the reason? Don't ask me, Guess that's suthin' he don't know, I'm right sorry for him, though; Only way for him to be, If the good Lord made him so. —Chicago News.

All Wrong.

I saw her, and my bosom throbb'd With pity of her woes. In sympathy with her I sobbed— I grew quite lachrymose.
