### There is Nothing Just as Good as Something Better!

The Dream Couch Bed is something better. When it is extended to make up the bed the two sides are on the same level so it is as good as an ordinary bedstead. It has a high grade National spring, a folding cotton mattress and bolster. It makes a neat trim couch when folded. These cuts are exact representation of the couch, but the actual article shows best. We will be pleased to demonstrate this bed to you.

## Interesting News Concerning New Fall Merchandise

### It Will Pay Every Economical Woman to Read It!

New Waists, New Outing Robes, New Kimonos, New Hosiery, New Underwear. What lady isn't interested just now in these seasonable goods at less than market prices?

### NEW WAISTS.

One day last week a manufacturer made us a proposition to take a certain quantity of his Tailored Waists at a price and that quite a bit lower than the cost of making, so that now you can buy them as follows:

Tailored White Waist made of fine muslin with laundered collar and cuffs. This lot at \$1.19 each. (All sizes.)

Tailored Waists of white mercerized simple de soie. This lot now at only \$1.19 each. (All sizes.)

All-wool Batiste Waists, a \$2.25 grade, now in this lot at only \$1.98, the price of a cotton waist.

### OUTING ROBES.

We bought these Robes more for quality and comfort than for fancy, poor-wearing Robes.

Outing Robes made of very best 12c outing, made full and well. Come in all colors and plain white. To introduce this new make the price is but \$1.00 each—a good \$1.25 Robe.

### New Kimonos.

We have taken a \$1.25 Kimono, made of 15c velvet fleeced goods, and marked it \$1.19, rather than sell a poor grade.

All-wool Kimonos of same materials, silk trimmed, at \$1.98 and 2.29.

### HOSIERY AND UNDERWEAR.

This is our largest department outside of our garment department. The success of our store is due largely to this department. We are fortunate in having such goods as Bennington, Munsing and Black Cat goods. We also carry Forest Mills in the better qualities. As leaders we are showing Children's very Heavy Fleece at 28c each. (Not the thin kind.)

Ladies' seven pound and one-half to the dozen Vests and Pants at only 25c, and the very best Hand-combed Egyptian Underwear at 50c.

As a special for this week we are selling our \$1.50 Natural Wool Munsing Union Suits at \$1.19 each.

In our Garment Department you will find everything in the line of Furs that you could ask for and warm weather has loosened up our prices.

A Soap Bubble Race.

This game makes plenty of fun. To play it provides each contestant with a Japanese fan or one made from stiff paper, for with these the bubbles are propelled to a goal. At a given signal the bubbles are blown from a starting point and fanned toward the goal.

If a bubble bursts before a player reaches the goal, the player may return to blow a second one.

Very similar to this is a soap bubble battle, for it consists in dividing the room by a string or screen, organizing the players into parties, the reds and the blues, giving one company places on the right of the line and the others on the left, three feet from the line itself. Then, all being in readiness, armed with fans to drive the bubbles, the signal is given and the game begins. The sides blow in turn, the enemy fanning or blowing the bubbles back.

The point of the contest is to see on which side of the rope the bubbles burst, the side that sends over the greatest number of bubbles being the winner.

Among the appropriate prizes for the winners of this game are pieces of iridescent glass, glass paperweights or, indeed, any pretty article of sparkling crystal. Of course each contestant carries home the pipe with which he or she has done valiant service.

Plan to Build Trades Temple.

The Oakland building trades council has under consideration plans for the erection of a building trades temple to cost about \$100,000 on a site off Twelfth street, near Broadway. The intention is to erect a structure of four stories with all modern equipments, containing six first class assembly halls for the unions affiliated with the council and one large auditorium for special occasions. The ground floor will be arranged for stores, and there will be club, billiard, smoking and bath rooms in the building.

Foundling Hospitals.

Foundling hospitals are very ancient. It is certain that one was established at Milan in the year 787, and in the middle ages most of the principal cities of the continent possessed one.

Earrings.

Among the Phoenicians in ancient days the wearing of earrings was a badge of servitude.
