Glenfield Folding Table.

Of course, no one is going to buy a folding table for use as a step ladder, but this is not a bad way to show the strength of the table.

You see, we know so well how thoroughly good these tables are, how carefully made and attractive, that it seems as if all our salesmen need to do is to show them to every man, woman and child who comes into our furniture department.

Our salesmen will show how Glenfields fold up and stay folded, open out and stay open, and will demonstrate their lightness and solidity.

We've got the tables waiting for you.

The card party season is here and with it the time for serving light lunches. Why not have a couple of those Folding Tables in the house? They don't cost much and are very useful. **Look in Our Window.**
