

\$1.50 White Underskirts \$1.12

Twelve Styles Saturday.

For no other reason than that we had to buy about three times as many as we should buy to get the quality of a White Skirt we require to sell for \$1.50 do we make such a very low price on better than the ordinary merchandise. We have too many. Saturday we shall sell a limited number of these \$1.50 long Skirts at \$1.12 each—a limited number only, when the number is reached no more can be had for less than the regular price.

Twelve Different Styles

All having very deep flounces over dust ruffles richly trimmed with durable laces or pretty embroideries and rows of fine cluster tucks, very full skirts, some of them three yards inside the dust ruffle and especially fine materials. A limited number only. **Saturday \$1.12 each.**
