

Underwear for the Child

The Miss, The Woman!

What do you look for in Underwear? First its quality then construction then value and the garment must conform with your figure to be comfortable and satisfactory. These are the points we insist on in selecting our Underwear—our demands of the manufacturer being far greater (he says exacting) than yours are. In our assortment of Knit Underwear for Women, Misses and Children, we exemplify the superiority of this store as to high quality and low prices. From the all wool to the low priced cotton garment—the value we offer is not bettered anywhere or duplicated to our knowledge.

For the Child and the Miss—25c fleeced, grey wool and white all wool vests and pants. Dr. Denton's sleeping garments in two styles, also a cheaper garment at 29c.

For the Women—25c medium and fleeced vests and pants. 50c medium vests with three quarter length sleeves and pants with the equestrian tops that fit so nicely over the hips. 50c heavy fleeced vests and pants and all grades of wool in vests and pants and Union Suits.

By all means, don't forget Pony Hose for the Children and Wayne Knit Hosiery for the Women.

It is estimated that the anthracite coal tonnage of the various companies this year as compared with last year to the end of September shows a shortage of 3,600,000 tons. This means without doubt there will be a serious shortage of domestic coal the coming winter months. Better anticipate your wants and send your orders to Calder & Richardson, Depot square. They are handling the best grades of coal at the right prices. Also nice dry wood.
An elaborate production of Uncle Dan'l or The Messenger from Jarvis Section, that well known New England melodrama, made so famous by Mrs. Fiske, Mary Marble, Lizzie Evans and the late Barney McCauley, will be the attraction at the opera house to-night. Many high class specialties will be introduced and a performance seldom seen outside of the larger cities will be given in its entirety. A complete production is carried and special attention has been given to the scenic and electrical effects, giving the play to our theatre-goers as presented in its original presentation. The company carry their own orchestra and a fine band, which will give a concert about noon.

The young son of Mr. and Mrs. Riley Burgess had a narrow escape from serious injury last evening. He was racing his bicycle with a team on Elm street and ran into a team coming in the opposite direction which he did not notice. He struck the horse squarely in the breast and was thrown from his wheel clear to the side of the road. He was later taken to his home in a team, where it was found that no bones had been broken, but he was badly shaken up.

FREE AT OUR STORE While They Last

See Our Radiumite Window Display

We have received a fine new, special lot of handsome, hand-forged, hollow ground Radiumite Razors that usually sell at \$2.00 each at retail, which we will give away absolutely free to advertise the wonderful

RADIUMITE DOLLAR RAZOR STROP
which is light, pliable, durable, convenient, and safe, and which is revolutionizing

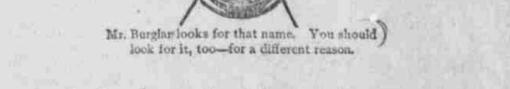

A RAZOR GIVEN FREE TO THE PURCHASER OF EACH STROP
CALL TODAY AS THEY ARE GOING FAST. We make this remarkable free offer that sells at \$1.00 at retail, in quantities with the marvelous and instantaneous honing and finishing properties of the Radiumite Strop, which will not harm the finest and most delicate blades. They make shaving a convenience and a delight, even to men having the hardest blades.

The secret of a quick, clean shave lies not so much in a good razor as in a good strop. With the RADIUMITE STROPS the most inferior razors are brought up to a fine edge, and the effect of the strop upon the finest razors is to keep them still finer. In the last possible condition, ready to shave the hardest blades easily and delightfully. Each Radiumite Strop is sold under the positive guarantee that if it is not satisfactory money will be refunded. They are for either Ordinary or Safety Razors.

Radiumite Strops, 50c to \$2.50; Razors, \$1 to \$3
DANGER LURKS IN THE USE OF ANY STROP BUT A RADIUMITE! Rubbing a razor against a wooden or leather strop, or even the use of imperfectly stopped razors that cut, irritate and inflame the skin, thus causing the serious trouble that lurks in the smallest parts of shaving soap, lather and skin itself.

THE ONLY PERFECT STROP IS THE RADIUMITE
Don't use the worst kind. Heavy, double, common one strops are generally sold with which the development of skin will try to afflict you. They are so much old junk, pure and simple. The word Radiumite stands for perfection in razor strops. Buy a Radiumite strop and skin no substitute—no matter how handsome it may appear. Danger lurks in the use of any strop but a Radiumite.
