DEATH IN MONTEPELIER.
John Sullivan Had Never Fully Recovered from Injury on Railroad.
John Sullivan, aged 33 years, a native of Northfield, died yesterday morning at his home in Montpelier from a complication of troubles which were brought on by injuries received in an accident on the Central Vermont branch, where he was employed last winter as a brakeman. He was dragged for a considerable distance and shaken up so that he was sent to the hospital, where he remained for some time. He recovered sufficiently to return to his trade as painter, but was never the same physically since then. He was a member of the painters' union and was employed by various painters in the city, being considered a steady and faithful workman, and was well thought of by his employers and all who knew him. Mr. Sullivan was also for a number of years employed as nickel plater at Colton shops. His critical illness dates back about a week, when hopes of his recovery were given up.
Mr. Sullivan has been a resident of Montpelier for many years. He was married 14 years ago to Miss Hattie Colburn, who with two children, Edward Earl and Eva May, survive him; also two sisters and two brothers, Mrs. Chauncy Harris of Barre, Mrs. Joseph Peterson of Montpelier, J. W. Sullivan of Springfield, Mass., and Michael E. Sullivan of New Haven, Conn. He also leaves a father, Michael Sullivan of Northfield.

CHelsea.
Charles D. Boardway returned Monday from Claremont, N. H., where he had been visiting his brother, Fred Boardway, for several weeks.
Henry Clark returned Saturday from Lowell, Mass., where he went earlier in the week with a small shipment of young jerseys for C. L. Hood.
Mr. and Mrs. Fred C. Waldo were called to East Randolph Sunday by the dangerous illness of his brother, Henry Waldo, who suffered a severe shock Saturday and remains in a critical condition.
Mrs. Nellie Hudson, who has been housekeeping for Charles Moulton for several years has gone to Brookfield where she has accepted a similar position for Edgar Moulton. Two of her sons, Clarence E. Simmons and Charles Hudson accompanied her and will make their home with her.
Charles E. Dickenson of Pike Hill, Corinth, returned to town last week and entered the employ on Monday of Col. H. O. Bixby as an all round man in the store and Orange County Telephone office. His many friends here are glad to see him back in his old place again.

Overcoats at \$7.50, \$10.00 to \$30.00. Come in, Sir, and let our Overcoats tell you their own story of their superiority and worth.
We Clean, Press and Repair Clothing. Fur Coats to Rent.

Oysters
Solid Meats No Ice Water
"Fresh Opened, Select," that's the kind of Oysters we sell. There's no water to bloat and bleach them. Nothing but fine, solid meats, which retain their natural dark color and delicious flavor.
Some places you see Oysters in the tub they're shipped in setting round on the floor, on a box, on a counter—anywhere the dirt, flies and other unwholesome matter may fall. You pay for this extra stuff along with some water of questionable purity. Did you know that fact? Just look next time you're in a place where they sell "Oysters."
Here our Oysters are received fresh every morning, taken directly from the shipping tub, placed in a clean sanitary stone jar, covered up to keep out foreign matter and kept in our ice-cooled tank.
Does this careful cleanliness appeal to your sense of taste? We sell our Oysters now for 40c a quart, and there isn't a shop in the city that you can get better Oysters at any price. A trial will prove this statement to you. Orders sent here delivered promptly. Phone 19-2. Use it.
