

FUR BUYING!

Probably there is no line of merchandise where there is such a chance for deception in the buying as Furs. Not one person in fifty can tell how a Fur is made up—of small all shaped pieces or of large whole skins nicely striped and matched. Not one person in fifty can ever tell about these things for the lack of opportunities to study them. Everyone does know, however, there are good Furs and cheap ones and that the good looks of the cheap ones soon disappears.

You cannot judge by prices—frequently these are made for the customer wanting a discount—with her discount she is probably paying all or more than the Fur is worth.

Our experience with The Homer Fitts Co.'s assurance of quality backed by the lowest prices consistent with good merchandise should be of service and save money to our customers on their Furs. Every piece of Fur in our stock including the Fur Coats, were bought before the recent advance and the line is very large and complete. Sable and Isabella Fox, Mink, Jap Mink, Opossum, Squirrel, Blue Wolf, Electric Chinchilla, Black Lynx.

Special Scarf and Muff to Match, \$7.96.

Coats from \$27.50 to \$60.00.

William A. MacDonald of Bellows Falls, grand chancellor of the Grand Lodge, Knights of Pythias, was installed in the office at the Virginia lodge rooms last evening by Past Grand Chancellor C. M. Willey. Mr. MacDonald was elected grand chancellor at the recent meeting of the grand lodge at Waterbury, but was called away from the meeting and could not be installed at that time.

Nearly twice as many people were present at the Knights of Pythias fair last evening as there were on the opening night, and dancing and business at the booths was kept up until a late hour. The program was given by students of Goddard seminary, assisted by H. W. Heath, reader. It consisted of a piano duet, "La Dame Blanche," Misses Lamberton and Raymenton; a solo by Miss H. ymenton and closed with a reading, "Old Ace," by Mr. Heath. Telegraph returns of the progress of the election were received at the hall during the evening.

Several hundred people gathered at the opera house last evening and witnessed the production of that old fun maker, "Peck's Bad Boy." James A. Callahan, as the boy, made life miserable for all with whom he came in contact. In this he was ably seconded by Zella Taylor as Minnie Clay, "his girl," Shultz, the grocer with John Barron in the role, was as usual the butt of the bad boy's long list of jokes. John Marston and James Barron, who took the part of Duffy, the Irish politician-boniface-policeman, did some vaudeville stunts that were heartily applauded. The other members of the cast succeeded in dressing the parts in a fairly representative manner.

It is estimated that the anthracite coal tonnage of the various companies this year as compared with last year to the end of September shows a shortage of 3,000,000 tons. This means without doubt there will be a serious shortage of domestic coal the coming winter months. Better anticipate your wants and send your orders to Calder & Richardson, Depot square. They are handling the best grades of coal at the right prices. Also nice dry wood.
