

# Gentlemen! Here is a Hint for Christmas Giving

You are wondering what to give the Mrs., the daughter or "the" young lady friend. You don't know just what she would like—here is a "tip" and you can't go wrong on it.

There is no part of her apparel in which she takes more pride in the possession or pleasure in the wearing than a nice fur piece—muff, scarf or both. We think we know furs—we know we have a large stock, second to none in point of quality and moderate price.

You can (as we have done already in several instances) select, with our advice, the furs you like and it will be laid aside for you until Christmas.

- Fur Scarfs priced from - - - - \$3.98 to \$35.00
- Muffs priced from - - - - 3.98 to 38.00
- Children's Sets priced from - - - - 1.50 to 15.00
